

EETCAFE HAVENZICHT

Welcome to our atmospheric eatery at the harbour of
picturesque Heusden.

Our menu is carefully composed by our team and is
renewed four times a year, so we always work with
fresh seasonal products.

Naturally, the classic "Eatery" dishes always remain
on the menu.

In addition, beyond the menu, we also have delicious
dishes that change weekly. You can find these on the
chalkboards, inside against the wall.

Did you know that we also have a beautiful space
with a view of the inner harbour and the windmills of
Heusden on the first floor?

Here you can have parties, meetings, or just a
wonderful get-together with a group of up to 50
people.

In order to provide you with the best possible service, our menu shows which allergens each dish contains by means of icons and whether the dish is vegetarian.
