

EETCAFE HAVENZICHT

Welcome to our atmospheric eatery at the harbour of picturesque Heusden.

Our menu is carefully composed by our team and is renewed four times a year, so we always work with fresh seasonal products. Naturally, the classic "Eatery" dishes always remain on the menu.

In addition, beyond the menu, we also have delicious dishes that change weekly. You can find these on the chalkboards, inside against the wall.

Did you know that we also have a beautiful space with a view of the inner harbour and the windmills of Heusden on the first floor?

Here you can have parties, meetings, or just a wonderful get-together with a group of up to 50 people.

In order to provide you with the best possible service, our menu shows which allergens each dish contains by means of icons and whether the dish is vegetarian.
